Mr. James R. Kelly, Director
World Trade Division
Delaware River Port Authority
Bridge Plaza
Camden, New Jersey 08101

Dear Mr. Kelly:

I take pleasure in adding my appreciation to that of the Senior Seminar for the opportunity the members had on Thursday, 30 October 1975, of learning from you personally the unique activities of the Delaware River Port Authority--the second largest in the world in handling shipping volume. It was most interesting to the members to learn about the variety of tasks under the responsibility of the Port Authority and to have them compared with similar operations all over the world.

The members of the Seminar were also grateful for your arranging a very informative private tour of Independence Hall at the end of the afternoon.

On behalf of the Director, I want to express our gratitude for your splendid cooperation.

Sincerely,

/s/John E. Blake
